TUESDAY, MAY 25, 1875.

CONSTITUTION CHANGING IN THE SOUTH.

The Republic Magazine for May publishes two important papers on the Democratic movement now going on in the South to remodel their State Constitutions so as to defeat the objects of the Thirteenth, Fourteenth and Fifteenth Amendments, and ignore the reconstruction policy. At the close of the war and commencement of the reconstruction of the States in rebellion, it was necessary to make the new State Constitutions conform to the changed condition of affairs. It was also obligatory on each State to submit the new Constitution to Congress for approval or modification. Now, however, each State may alter or remodel its Constitution by a Convention of the people, and adopt the new instrument, without consulting Congress. The Democrats are now taking advantage of this, and are framing new State Constitutions to suit their own peculiar views on the race, school, State Sovereignty, and other important questions. The danger to the stability of our institutions, growing out of this movement, can scarcely be overrated as it indicates a spirit and the inauguration of a state of affairs that can scarcely fail of resulting in another rebellion.

DRESS REFORM.

Certain wives, mothers and daughters of a southern town have organized into a society, and issued a manifesto in which they declare their object to be, the discontinuance of extravagance in dress. They pledge themselves for one year not to purchase any material for wearing apparel the cost of which shall exceed twenty-five cents per yard. Further, they will observe a strict economy in their household affairs, and cheerfully add, "by those delicate sacrifices to the general stock of home comforts—too often dispensed with for the frivolous outside adornment of the body alone." This is the best centennial declaration of independence which has been issued of late, and if the ladies will stick to it, and the men will encourage them in their resolution, the reform may spread until nothing but twenty-five cent. calico is manufactured throughout the realms of civilization.

THE KNIGHTS OF PYTHIAS.

The Supreme Lodge of the Knights of Pythias have closed their proceedings at Washington. The most important business transacted was a modification of the Shield of the Order, whereby members will be allowed, on and after next July, to take the Shield for one month or longer, until the next meeting of the Supreme Lodge, and the adoption of a universal pass word. The Shield operates as a letter of credit for relief wherever the member needs it. Delegates were present from all parts of the Union—California being represented by A. G. Booth and F. P. Dunn, and Nevada by Geo. Gilson.

CENTENNIAL OFFICERS.

The United States Centennial Commission have arranged a part of the programme, and it begins with: President of the Day—President of the United States. Orators—Chas. Francis Adams, of Massachusetts, and Lucius Q. C. Lamar, of Mississippi. Poet—H. W. Longfellow, of Massachusetts. Reader of the Declaration of Independence—Ralph Waldo Emerson, of Massachusetts. Grand Marshal—General W. T. Sherman. Master of Ceremonies—General Joseph E. Johnston.

It is understood that the Director of the United States Mint will visit Carson City next month, to be present at the annual cleaning up.

Senator Jones expects to clear a quarter of a million annually on his artificial ice speculation.

The Nye county jail remains a dead letter—not earning a dollar.

A number of men can find employment at Camp McDermitt chopping wood. Persons accustomed to that kind of work are wanted there.

It is reported that W. R. Barnes, one of the principal owners in the Gila mine, at Reveille, has sold his interest in that property for the sum of \$50,000, in hard coin.

The Centennial Board are to pay Prof. Frank Stewart \$300 per month while making his specimen collection.

The people of Hamilton are arranging for the building of more accessible roads from the newly acquired territory to their town. The spirit of kindness was never more fully exemplified.

It is said that C. W. Kendall, ex-Congressman from Nevada, has taken up his residence in San Francisco.

Thos. F. Morgan, of Monitor Valley, was in Belmont a day or two since and reports everything lovely in that direction. Crops about all planted, and as yet there are no signs of grasshoppers in his neighborhood.

FULL OF BUSINESS.

In Southwestern Texas, there is a cattle raiser who has lived there twenty years. On going there he picked up a dozen cows and branded them. He had no land, but was the possessor of a wife, two or three children, and a few dogs and two or three horses. He kept watch on his cows and lived in a band-to-month way several years, sustaining his family by the capture of game and the sale of skins. In May, 1873, he owned 30,000 head of cattle, duly branded, and ranging over the plains. He has a family of nine children, five of whom are boys.

His eldest child is a girl nineteen years of age. She can rope a steer, kill a wolf with a rifle, or strangle a dog at arm's length. In the man's house is a nail keg, nearly filled with gold coins, while in the pantry is a flour barrel almost filled with silver pieces. When he sells cattle it is for coin which is dumped on the premises. He will not take paper money at any rate, but is always ready to sell steers for gold or silver. The house occupied by this prosperous family is low, built of logs and contains three rooms. The father and mother sleep in the dining room, the girl, sleeps in the spare room, while the boys sleep in the addition.

CHANGE OF PROPRIETORSHIP.—The Virginia Evening Chronicle changed hands last Saturday evening. The present sole owner and proprietor is F. E. McCarthy, formerly of the Territorial Enterprise, but more recently managing editor of the San Francisco Chronicle. Mr. McCarthy will make his paper one that will be eagerly sought after by the reading public. We congratulate the public on the change.

MEXICAN VETERANS.—All persons who were in the Government service during the Mexican war, and are now resident of Washoe county, are requested to meet at the office of Judge Haydon, Virginia street, Reno, on Tuesday, May 25th, at 2 o'clock P. M.

The President of the California Acclimatization Society reports that they have placed in Lake Merced, from time to time, the following amount of fish: Native trout, 260,000; Tahoe, 150,000; Eastern trout, 500, and salmon, 20,000, making a total of 430,000. The growth and development of the fish have been remarkable. The Society has now at its fish ponds at Point San Pedro 60,000 young trout fry which will soon be liberated in Lake Merced.

"BOSTON" CORBETT, who killed John Wilkes Booth, is at present a hat maker in a Cleveland manufactory.

DR. A. B. SPINNEY.

WELL KNOWN throughout the country as a Pathologist and Physiologist, whose successful treatment of certain physical disabilities and functional derangements, described by him to the familiar recognition of the GREAT SPECIALIST, would respectfully inform the citizens of Virginia City, Nevada, and vicinity that he can be consulted at No. 188 South C street, Virginia, seven doors north of the French Drug Store, at his office, thus giving invalids an opportunity of ridding themselves, through his professional agency, of such constitutional annoyances and ailments as he claims to compass and to cure. Without entering into biographical details, it is sufficient to simply promulgate the fact that DR. SPINNEY'S earliest reputation may be traced back to his inauguration and conduct of the Montreal (Canada East) Medical Institute. The regime of the English Pharmaceutical Colleges is gauged by an elevated standard. An extended experience and an assiduous study of the varied phases of disease enables him to guarantee assurance of success in the eradication of the multifarious chronic affections, incident to both sexes, such as Nervous Debility, Exhausted Vitality, Youthful Excesses, Marriage Impediments, Chronic and General Afflictions.

TO THE LADIES.

DR. SPINNEY, while naturally impressed with the delicacy of the subject, feels no hesitancy in assuring them that, in conjunction with a competent knowledge of their various sufferings, such as Nervousness, Neuralgia, Spinal Weakness, Loss of Appetite, Lassitude, Prolapsus Uteri, Retroversion or Displacement of the Womb, Vaginal Irregularities, Leucorrhoea, Dyspepsia, Indigestion, Constipation, and the many petty, irritating distractions that almost invariably have their origin in the uterine region, afford them immediate relief.

YOUNG MEN.

Who may be suffering from the effects of youthful follies or indiscretion, will do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. DR. SPINNEY will guarantee to forfeit five hundred dollars for every case of seminal weakness or private disease of any kind or character, which he undertakes and fails to cure. He would, therefore, say to the unfortunate sufferer who may read this notice, that you are treading upon dangerous ground when you longer delay in seeking the proper remedy for your complaint. You may be in the first stage—remember you are approaching the last. If you are bordering upon the last, and are suffering some or all of its evil effects, remember that if you obstinately persist in procrastination, the time must come when the most skillful physicians can render you no assistance; when the door of hope will be closed against you; when no angel of mercy can bring you relief. In no case has the Doctor failed of success. Then let not despair work itself upon your imagination, but avail yourself of the beneficial results of his treatment before your case is beyond the reach of medical skill, or before grim death harkens you to a premature grave.

COME AND BE HEALED.

It matters not what your trouble may be, come and let the Doctor examine your case. It will cost you nothing for consultation, so please call and satisfy yourself whether the Doctor understands your case. If he can cure you he will tell you; if not, he will say so, for he will not undertake a cure unless he is confident of effecting a cure.

MIDDLE-AGED MEN.

There are many of the age of thirty to sixty who are troubled with too frequent evacuation of the bladder, often accompanied by a slight smarting or burning sensation, and a weakening of the system in a manner the patient cannot account for; on examining the urinary deposits aropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin and milky hue, again changing to a dark and turbid appearance. There are many men who die of this difficulty, ignorant of the cause, which is the second stage of seminal weakness. Dr. S. will guarantee a perfect cure in all such cases, and a healthy restoration of the genito-urinary system.

N. B.—Only an interview required in a majority of cases; balance of treatment can be conducted at home without interruption of business. No cases treated without a personal interview and proper examination. Office hours—10 to 1, 2 to 4, and 7 to 8. Consultation Free. Examination and advice, \$5.

RENO WATER CO.—Location of principal place of business, Reno, Washoe Co. Nevada.

NEW ADVERTISEMENTS.—Brief mention is hereby made of the new advertisements in this issue:

Budden calls attention to something of interest about photography. Pay heed thereto.

Abe. Prescott says it will be money in your pocket by examining his stock of boots and shoes before purchasing elsewhere. He has also a very fine assortment of gentlemen's furnishing goods on hand, to which he invites attention.

A flask of quicksilver has been found near Verdi. The owner can have the same by proving property and paying the charges.

RESIDENCE BURNED.—The residence of Mr. Wm. Merrill, midway between Verdi and Crystal Peak, was totally destroyed by fire on Sunday last, about noon. The flames spread so rapidly that none of the furniture, clothing, etc., was saved. The loss is about \$2,000, and falls heavily on Mr. Merrill. Subscriptions were freely given in Reno yesterday for the relief of the destitute family. The fire was accidental—children playing with matches in the dining room.

THE ARCADE.—Dave McFarland, of the Arcade, has given his establishment a new Spring dress. It has been newly papered and fixed up generally, completely changing the appearance of the interior. This old established place of resort still maintains its reputation for keeping a good supply of the "good creature" and other thirst-satisfying beverages.

SINGING SCHOOL.—There will be a meeting at the M. E. Church tonight for the purpose of organizing a class in vocal music. Mrs. Chapin, who it is understood is entirely competent, will take charge of the class. Instruction in the rudiments of music is much needed in our town. We hope all interested will attend.

SODA WATER.—This delicious compound, as made by Pearson, of Carson, is in brisk demand by our temperance folks this hot weather. Mr. Henry Rohrs is Pearson's agent in Reno and delivers the same for four bits a dozen. Cheap enough! Soda water is a healthy and cooling drink.

A PARTNER.—Since the 10th inst. Mr. Edwin Pierce has been associated with J. N. Jaquish, in the saddle and harness business. Mr. Pierce is a full partner, entitled to half the assets, and chargeable with half of the liabilities.

JUDGE COURT.—Judge Gilson had his hands full yesterday. William Pretsch was sentenced, to ten days imprisonment for petit larceny. John Devine was fined \$75, for drawing and exhibiting a deadly weapon. Sarah Roe, a fair Celestial maiden, was brought up before his Honor on a charge of robbery, but the charge not being substantiated the Judge dismissed her. The Chinaman, charged with the murder of a brother moon eyed critter, was discharged from custody, on motion of the District Attorney.

THE NEW RAILROAD.—The survey of the Virginia City and Umatilla Narrow Gauge Railroad is progressing favorably. The surveying party have reached Lonestown, six miles from Virginia City, where they have established a temporary camp. The line of the road extends through several thickly wooded and timbered districts, before it reaches Umatilla, Oregon. Its principal use will be in rendering these sections accessible. It will also penetrate several fertile valleys. The completion of the road cannot fail to prove advantageous to the western portion of this State.

THAT BELL.—Some time ago we gave ten dollars toward buying a new bell for the school house—being heartily disgusted with the chiming of that old cracked one. The new bell was almost perfect in tone, and we congratulated ourselves on being rid of a nuisance. But that old bell, it seems, was turned over to the good folks of the M. E. Church, and continues to be rung, much to the disgust of the better class of the community. Now we will give another ten dollars for a new bell for the M. E. Church.

EL DORADO SALOON.—Conrad Zick has just taken charge of this place, opposite Wintermantel's Hotel. Every attention paid to the patrons. Musical headquarters.

\$55 will buy you a Wilson sewing machine—best and cheapest in America. Terms to suit any and all. Mrs. G. P. Barnett, Plaza St., sole agent for Reno. m13-1m

EVERY lady should go in time and secure some of those new style Spring dress goods at 25 cents per yard, at J. Prescott's.

THE people have found out that our new Spring stock has arrived. To the ladies: We want to call your particular attention to our large stock of ladies dress goods for the Spring and Summer fashions at unusually low prices. Look all around, and then save from 20 to 25 per cent. by trading with us
BARNETT & BRO.

NOTICE.—Mr. Nels. Greenman is no longer our authorized agent. Our patrons will govern themselves accordingly. St. Lee & Co.

MILLINERY AND FANCY GOODS.—Mrs. Julia J. Prescott is pleased to inform her friends and customers that she has just returned from San Francisco after having selected the most complete, fashionable and elegant stock of Spring and Summer millinery and fancy goods for this market and which she has now displayed at her establishment at No. 20 Commercial Row. All are cordially invited to call and examine.

INTERESTING TO THE LADIES OF RENO AND VICINITY.—The new dress-making establishment opened by the Misses Vance, on Plaza street, apposite the freight depot, will receive and make to order in the latest styles, all kinds of plain and fancy sewing.

The largest and finest assortment of English and American prints at J. Prescott's.

CHAPTER MEETING.—All Royal Arch Masons are requested to be on hand next Thursday evening at the meeting of the Chapter, as business of importance is to be transacted. Visiting brethren are cordially invited to attend also.

WANTED.—A situation as house-keeper or nurse by a lady recently from the East. Call at second door from Capital Restaurant, on Virginia street.

JACK NELSON.—This horse will stand in Reno and vicinity during the present season. He belongs to the fastest breed of horses there is on the coast—many of his relatives having made their mile in 2:25. He himself, has made his two miles in 6 minutes, and is an untrained animal. He would make a fast trotter were it not for an accident that severed his gambal joint, whereby he was unfitted for the turf. He is 10 hands high, and weighs 1,225 pounds. He is a beautiful animal and we advise all to take a look at him and if he suits, you will do well to patronize him.

NEW GOODS.—Mrs. McNeely has just received a new and beautiful lot of goods of the latest styles and colors, consisting of ready made suits, dry goods, muslins, prints, white goods of all kinds, table linen, towels, napkins, black silk, hosiery, two-button gloves, gent's kid gloves, also handkerchiefs, ladies' handkerchiefs, parasols, Spring abawis, corsets, zephyrs. Millinery and fancy goods of all kinds.

Don't you go round in that shabby old suit of clothes any longer if you have a few dollars to buy a new one. You will be surprised if you call on us to learn how cheap you can buy a new suit of clothes.

pany, a corporation, has by its Superintendent
Jas. Morgan, whose postoffice address is at

THE THOROUGHBRED TROTTER
STALLION
RIFLEMAN!

Will stand the present season at Longley's Ranch
six miles south of Reno, Nevada, season com-
mencing April 1st and ending July 1st, 1875.
Terms of service thirty dollars, payable in
United States gold coin, before the close of the
season.
Description:
Rifleman is a beautiful bay, 15 1/4 hands high,
and is the handsomest horse and the best bred
trotter in the State. He has much Messenger
blood in his veins as Shingler, the champion
stallion of America, that won the Stallion Race
at Boston, in 1859. Rifleman's color is a very
stylish and large and show him trotting action.
I will show his colt Morgan Chief at the next
State Fair against any colt of his age west of the
Rocky Mountains. I will also give a premium
of \$20 to the best sucking colt from Rifleman
that is shown at the State Fair next Fall.
Pedigree:
Rifleman was sired by the Thoroughbred Stallion
Rudolph and by Imp. Glenview, dam by
Rudolph, out of Butterfly by Shingler. His dam
was the Thoroughbred mare Lady Davis by Rud-
olph by Mollie and by Imp. American Eclipse out
of Mollie's Dunsilly Imp. Messenger. I have
good pasturage at \$4 per month for the accom-
modation of mares from a distance. I take good
care of mares, but will not be responsible for ac-
cidents or escapes should any occur. No mares
admitted until all charges are paid.
A. A. LONGLEY, Proprietor.
